

Please navigate to SDF/ Company Management, select the company, scroll down and click “Unlock Company Details”

The screenshot shows the SDF/ Company Management interface. On the left is a sidebar with the user profile 'Christa Viljoen' and navigation links: Profile, Logout, Dashboard, SDF, Company Management, Mandatory Grant Application, Discretionary Grant Application, Learner Management, and Legacy Learner Management. The main content area is titled 'Available Companies' and features a table with the following data:

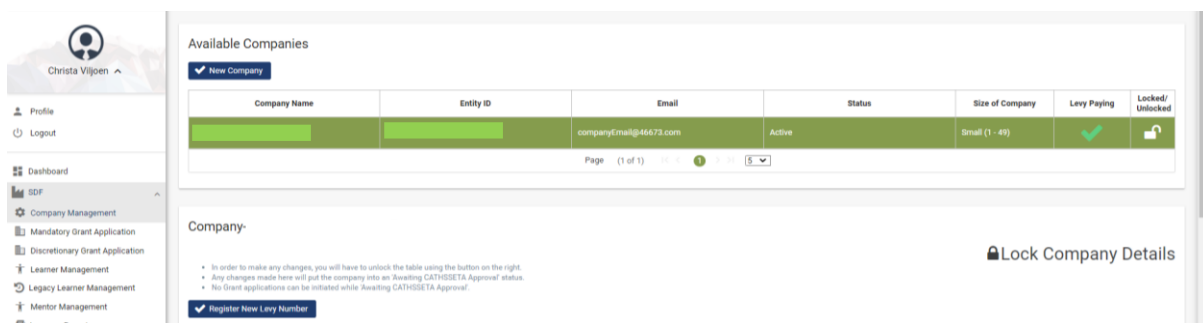

Company Name	Entity ID	Email	Status	Size of Company	Levy Paying	Locked/ Unlocked
[Redacted]	[Redacted]	companyEmail@46672.com	Active	Small (1 - 49)	✓	🔒

Below the table is a pagination control: Page (1 of 1) with navigation buttons. Below the table, there is a 'Company' section with instructions:

- In order to make any changes, you will have to unlock the table using the button on the right.
- Any changes made here will put the company into an 'Awaiting CATHSSETA Approval' status.
- No Grant applications can be initiated while 'Awaiting CATHSSETA Approval'.

A button 'Unlock Company Details' is highlighted with a red box.

Once you have unlocked the company details, the following will be displayed. You can then proceed to Mentor Management

The screenshot shows the SDF/ Company Management interface after the company has been unlocked. The sidebar is identical to the previous screenshot. The main content area is titled 'Available Companies' and features the same table as before:

Company Name	Entity ID	Email	Status	Size of Company	Levy Paying	Locked/ Unlocked
[Redacted]	[Redacted]	companyEmail@46672.com	Active	Small (1 - 49)	✓	🔓

Below the table is the same pagination control. Below the table, the 'Company' section now includes a button 'Register New Levy Number' and the text 'Lock Company Details'.
