1. BACKGROUND TO CATHSSETA

The Skills Development Act (No 97 of 1998) (SDA) makes provision for the establishment of Sector Education and Training Authorities (SETAs) for each national economic sector and thereby aims to develop the skills of the South African workforce by increasing the investment in education and training in the labour market; and encouraging employers to play a meaningful role in developing employees, particularly the previously disadvantaged. The Culture, Arts, Tourism, Hospitality and Sport Sector Education and Training Authority (CATHSSETA) was established through the SDA, to research and establish nationally recognised Sector Skills Plan (SPP) supported by skills development programmes serving the interest of the following sectors:

- Culture, Arts and Heritage
- Tourism and Travel Services
- Hospitality
- Gaming and Lotteries
- Conservation; and
- Sport, Recreation and Fitness

These sectors are diverse and unique and they play a significant role not only in the economy, but also in the broader quest for social cohesion and formulation of a unique South African national identity.

CATHSSETA's critical success factors are described as the key processes that deliver services to the CATHSSETA beneficiaries, i.e. learners and employers. The process is based on the three critical components of the CATHSSETA service delivery Value Chain:

- Facilitation of Learning Interventions. Involves facilitation of all skills development initiatives
- Quality Assurance of Skills Development. Involves accreditation of skills development facilitators, verification of learners, and development of occupational qualifications
- Employer engagements. Involves the receipt of levies and payments of grants.

The importance of the three areas are the points of integration between them.

CERTIFICATE OF INDEPENDENT BID DETERMINATION

- 1 This Standard Bidding Document (SBD) must form part of all bids¹ invited.
- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.
- 3 Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorizes accounting officers and accounting authorities to:
 - a. disregard the bid of any bidder if that bidder, or any of its directors have abused the institution's supply chain management system and or committed fraud or any other improper conduct in relation to such system.
 - b. cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.
- 4 This SBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
- 5 In order to give effect to the above, the attached Certificate of Bid Determination (SBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.
