

# Enrol for FREE training

CATHSSETA is looking for 100 ETD practitioners for free training\* to improve compliance to ETQA practices. The employer is often not up-to-date with the compliance issues identified by the ETQA unit and this training will be provided to assist with this.

This training, delivered by Regenesys Business School, will assist practioners to understand facilitation, assessment and moderation principles. It will enable them to monitor the service they are receiving from training providers and assist them to apply for accreditation.

The opportunity is presented to all CATHSSETA employers who want to further their Education and Training Practices by registering as moderators, assessors and facilitators. The following unit standards will be trained:

Type	SAQA ID	Title	Level	Credits
Elective	115759	Conduct moderation of outcomes based assessment	6	10
Core	117871	Facilitate learning using given methodologies	5	10
Elective	115753	Conduct outcome-based assessment	5	15
Total Credit Value				35

Training will be offered in all provinces. The training is scheduled and grouped as follows:
